This is an automated message from TradeSchool Messaging

North Texas Electrical JATC: TradeSchool Web Services

NEW ACCOUNT CREATED SUCCESSFULLY

You are receiving this message because you requested to create a new TradeSchool Web Services account with the North Texas Electrical JATC.

Our office has confirmed your request and created your new account.

You can now login using the following link:
<https://secure2.tradeschoolinc.com/v5/ntejtc-org/login/index.php>

If you did not request to create a new TradeSchool Web Services account then disregard this email.

Thank you,

TradeSchool Web Services Team

Application Instructions

9. Navigate to <https://secure2.tradeschoolinc.com/v5/ntejatc-org/login/index.php> and login with your email and your new password

The screenshot shows the login page for North Texas Electrical JATC. It features a header with the organization's name and a 'Login' button. Below the header, there is a 'Login' section with input fields for 'Email' and 'Password', a 'Login' button, and links for 'Create Account' and 'Reset Password'.

10. Navigate to the “Application” tab.

The screenshot shows the navigation bar of the North Texas Electrical JATC website. It includes the organization's name, address (680 W. Tarrant Rd, Grand Prairie, TX, 75050), and phone number (972-266-8383). The navigation menu contains links for 'Logout', 'Class Schedule', 'My Account', 'Applications' (which is circled in blue), and 'Apprentice'.

11. Select the “Inside” program and then click “Start Application.”

The screenshot shows the 'North Texas Electrical JATC Online Application' page. It includes a header with the organization's name and a brief description of the apprenticeship program. Below the header, there is a section titled 'Select Apprenticeship Program' with a dropdown menu labeled '-- Select Program --'. A blue arrow points to this dropdown menu with the text 'Select the “Inside” Program'. Below the dropdown menu is a 'Start Application' button.

12. Confirm your information and add anything that is missing.

The screenshot shows the 'Demographics' form. It includes fields for 'Social Security Number', 'Date of Birth' (with a note 'Must be at least 18 years of age'), 'First Name', 'Last Name', 'Middle Name', 'Street Address', 'City', 'State' (dropdown), 'Zip Code', 'County', 'Phone Number', 'Gender' (dropdown), and 'Ethnicity' (dropdown).

Application Instructions

13. Acknowledge the “Application Availability,” “Sales policy,” and then click “Start Application.”

Application Availability

Applications to North Texas Electrical JATC are available in two different formats. One method is to complete the application online. The other option is to complete the application in person. Applications in person are at a specific time, 8:30 AM, and specific days, Monday, Wednesday, and Thursday. Choosing one method over the other will not increase or decrease your chance of being selected as an apprentice. Choose the method that is the most convenient for you.

☐ I understand that there are two different ways to complete the application and choose to continue with the process.

Payment Information

Payment Information A \$20.00 fee is required to apply.

Sales Policy No refunds are provided for applications. Please keep in mind that if you cannot provide all documents or meet the requirements of the program within 30 days your application will be canceled.

☐ I have read and understand the "Sales Policy"

[Start Application](#)

14. Add your payment information and then click “Pay”. Applications require a \$20.00 fee.

15. Click “OK” to continue application process

secure2.tradeschoolinc.com says

Your application has been started. Click OK to finish the application steps.

[OK](#)

Application Instructions

16. Complete the steps by clicking where it says “Incomplete.” Items must be completed in order.

Edit Application

AppNo	Date	Program	Incomplete	Pending	Expires	Days Left	
	11/21/24	Inside	10	0	12/21/24	30	<button>Applications</button>

Application Steps

You must complete the following steps as fulfillment of your application requirements. Each step will provide you with an opportunity to click **Save and Exit** or **Save and Submit**. If you click *Save and Exit* your data will be stored for later submission and you must enter that step later and click *Save and Submit* to complete the step. If you click *Save and Submit* your data will be sent to us for review, leaving that step in a **Pending** or **Completed** state. You must click **Save and Submit** for each step in order to fulfill your application requirements.

We may leave comments for you to read, and guide you through the process. Our comments will be visible **in red font**, below the name of the step. If you have questions or need assistance while completing your application please contact our office. You do not have to complete your application in one login session. You can log in as many times as you need to finish the application process. You now have **30** days to complete your online application.

1	Application Form	Click on “Incomplete” → <button>Incomplete</button>
2	EEOC Supplemental Information Form	<button>Incomplete</button>
3	Requested Transcripts	<button>Incomplete</button>
4	Application Document Verification	<button>Incomplete</button>
5	Drivers License Upload	<button>Incomplete</button>
6	Social Security Card Upload	<button>Incomplete</button>
7	Birth Certificate Upload	<button>Incomplete</button>
8	DD214 Upload - Military Only	<button>Incomplete</button>
10	Transcripts Received	<button>Incomplete</button>
11	Voluntary Disability Disclosure	<button>Incomplete</button>

17. The first four steps require you to click “Save and Submit.”

Save and Exit

Save and Submit

Application Instructions

18. Steps 5, 6, 7, and 8 are used to upload your documents. All applicable documents must be turned in to make your application complete. After uploading your documents, the step will show pending. The documents will be reviewed by office personnel. After which, they will be marked complete.

If you have turned in these documents in person there is no need to submit them here. The steps will be marked complete as the documents are reviewed by office personnel.

Upload your files to submit with this application.

1. Add your files by clicking **Add files...** or drag-n-drop onto this page
2. Upload your files by clicking the blue button **Start upload**
3. Click **Save and Submit** to submit your files with your application

+ Add files... **Start upload** **Cancel upload** **Delete** ☐

1st Click "Add files"
2nd Click "Start upload"
3rd Click "Save and Submit"

Save and Exit **Save and Submit**

19. You will receive the email below saying that the required online application steps are complete. Please note that your application is not complete until it has been reviewed. After the review process you may be required to provide additional information. An email will be sent to you detailing what information, if any, is required to be submitted. Keep in mind you only have thirty days to turn in the required information. If it is determined that your application is complete, then you will be scheduled for the next step in the application process. All communication is done through email.
